

THE CHARTER

The members of France Espaces Naturistes welcome to their centres all naturists* licensed or not and make the following undertakings with regard to the practice of naturism, personal security and the protection of the environment.

- Promote the practice of healthy, natural family naturism.
- Show tolerance and respect for all.
- Take care to respect nudity whilst showing consideration and understanding for the adolescents.
- Be open and helpful to people who may be apprehensive about trying naturism.
- Guarantee the tranquillity of naturist holidaymakers whilst also organising sporting or cultural activities for those who desire them.
- Assure the tranquillity of holidaymakers : will not tolerate in their centres any voyeurism or exhibitionism which could upset children or adults.
- Inform holidaymakers ways in which they can enjoy naturism throughout the year by introducing them to the national and international network : Clubs, Associations, Federations.
- Respect and preserve nature, protect the environment by encouraging economy of energy and water.

*** F.E.N. members do not require the naturist license.**
